Tejas Trails Residents,

A follow-on meeting has been scheduled for **Thursday, June 16th at 6pm** in the student worship center at Solid Rock Church to update us on the proposed development of the Hyde property by Stream Realty.

The purpose is to present final plans for the light industrial portion of the property. This presentation will not include plans for the residential portion.

Stream Realty will show visual representations of what the buildings will look like from the perspective of our neighborhood, along with the timeline of construction, and answers to questions raised at the previous meeting in April.

Stream will be providing dinner again and in order to ensure we have enough room, please RSVP to TejasTrailsPOA@gmail.com by Monday, June 13.

See you on the 16th!

Cyndy McCoy, President
Bernard Parks, Vice President
Donna Bogaski, Secretary
